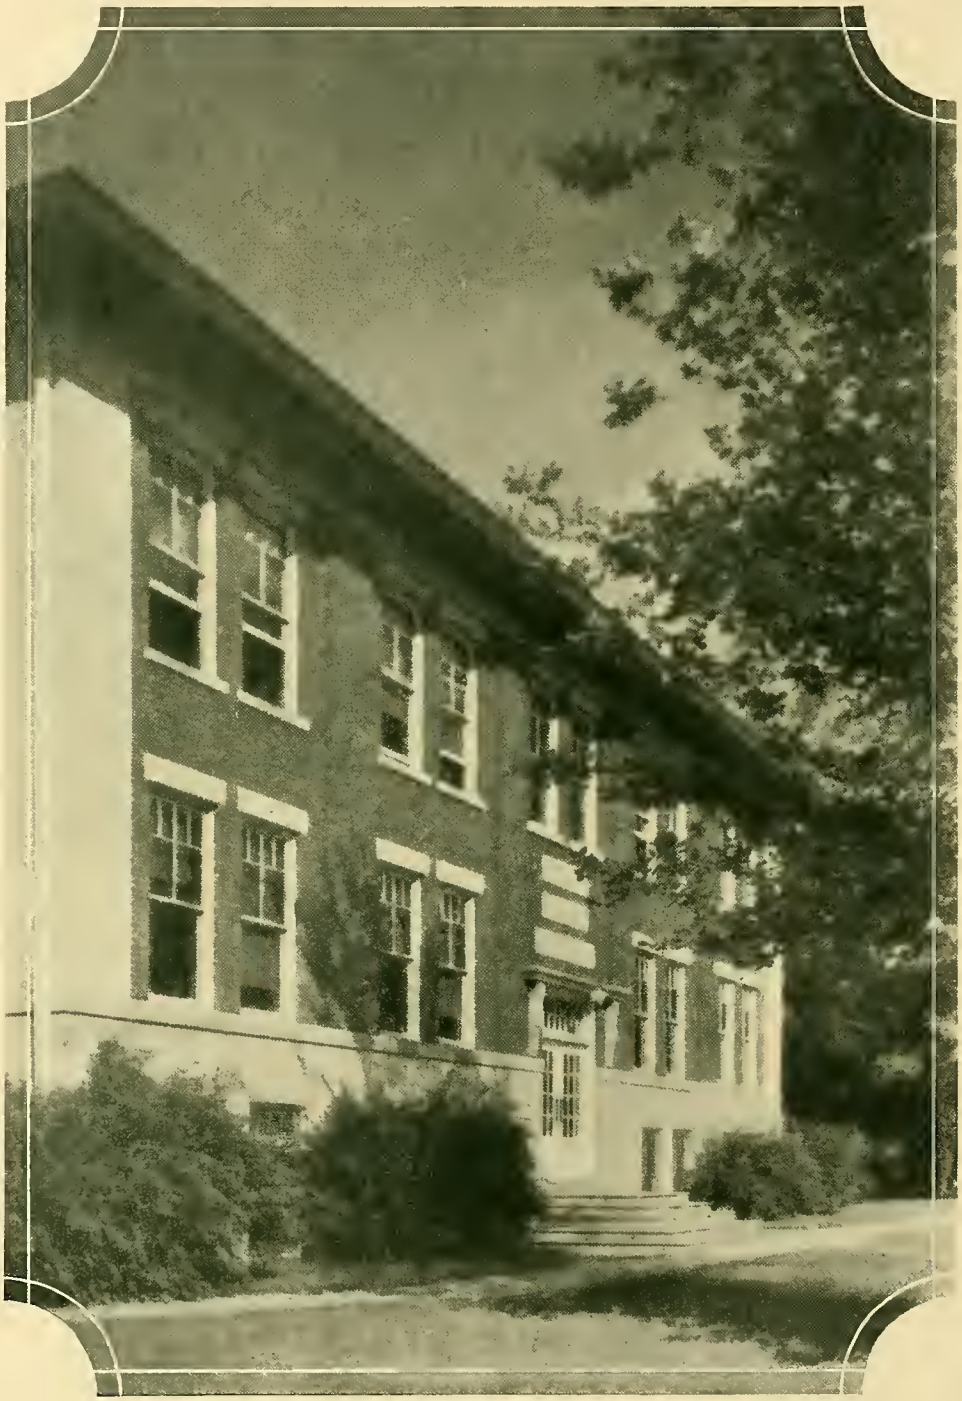
COLLEGE

Oh realization of many a dream!
May thy spirit of progress ever be our theme.



Oh science and modern arts how kindly taught!
Oh truth with timely instance wisely fraught!

Symbol of Albion's genius, All hail to thee!
Thou art a glorious milestone pointing what's to be.

There's Winter within our hearts, Oh Lovely ice fringed brook;
Mayhap we never more shall seek thy shady nook.

Now may Albion's youth because of thee
Find life joyous, healthful free.

From thy tower the heavens beautiful are seen—
Oh noble science, Thou makest young minds strong and keen.

Within thy precincts youth's experiment
Is disciplined but free from Life's embitterment.

Many a hopeful step has echoed through thy halls;
Many a youthful heart has loved thy ivied walls.

Functioning along reorganized lines that have given it more power to cope with student problems, the Student Senate of Albion College has been a very active organization throughout the year.

This organization is the Executive Committee of the Student Self-Governing Association, of which all students are members, and aims at the stimulation of college spirit, the fostering of a spirit of mutual helpfulness between students and faculty, and the placing of the student body on a self-governing basis. Membership is derived from thirteen representative groups, while the officers are elected by the entire student body in the spring of the year.

The "Co-op" was established in 1893 when a system was inaugurated whereby any student paying one dollar could belong to the Co-operative Association and purchase supplies from the college Book Store at a lower rate. In 1925 the Association was incorporated with the entire student body of Albion as members.

The Co-operative Book Store handles books, pennants, college jewelry, memory books, writing materials and general student supplies on nearly a cost basis. The business done for the year 1926-27 amounted to twenty thousand six hundred dollars, an increase of thirty-one hundred dollars over that of the previous year.

The control of the "Co-op" lies with a Board of Directors, composed of a faculty member elected by the student body as president, two appointed faculty members, and six students elected by the student body. The manager of the Book Store for the past year was Bruce Osgood, Toledo, Ohio, and the assistant manager, Elson Balkema, Grandville.

Representing the Athletic Association, the Athletic Board composed of business men, students, and faculty, govern the athletic activities of the college.

Student representatives are elected by the classes while the other nominations are made by an electoral college.

The board purchases equipment, approves schedules, awards letters, elects captains from recommendations of the coach, distributes funds for improvements, has charge of Kresge gymnasium, and carries on an active campaign in an effort to interest the men of the state in attending Albion College.

R. W. Betchel

Athletic Director

With the close of the present college semester, Ruben W. Betchel completes his third year in the capacity of athletic director for Albion College. Coming here in 1924 from Baldwin-Wallace, Berea, O., where he met with success in a similar position, "Beck's" work on the local campus has been felt as an organizer as well as a mentor.

Besides bringing to the school its first M. I. A. A. basketball championship, Betchel produced runners-up in the football campaigns of 1924 and 1925. He has acted as head coach in football, basketball, and track, leaving baseball and tennis to assistants. Betchel is responsible for the development of the present intramural program, athletic relations with several Ohio schools, and the holding of District three high school and Jackson county high school basketball tournamens there each winter.

Betchel resigned early this year to accept a similar position in another school. He will be succeeded by R. R. "Bud" Daugherty of Dakota Wesleyan, Mitchell, S. D.

With the 1927 Court Champs

At the start of the season, given only an outside chance for a first division berth the 1926-27 Albion basketball team covered itself with unusual glory by taking sole possession of the M. I. A. A. championship, and winning a total of 15 out of 19 games. The title was the first official one ever obtained by Albion in the court sport.

From the very outset of the schedule, the cagers surprised their following—proving to be consistent winners and upturning and bespattering the dope bucket material of every scribe on the conference circuit.

After opening at home December 16 with a surprise victory over Cornell College of Mt. Vernon, Iowa, the Methodists embarked on a successful road trip in which three of four games were won. Starting its M. I. A. A. schedule with a game against Olivet in Kresge gym., the Betchtelmen lost only one association tilt, that to Kalamazoo College at Kalamazoo, 27-25. Nine non-conference games were played, three of which were lost, two to W. S. N. and one to Goodyear Tire Co. of Akron, O.

Included in the team's list of non-association victories were those over Michigan State College, John Carroll University, Oberlin, Cornell College, Ford Club of Rossford, O., and the Brightmoor Exchange Club.

Coach R. W. Betchtel relied on only seven men throughout the season, Captain Babcock and Goldberg at guard, Gray at center, Bromley and Carlson at forward with Penzotti, center, and Crocker, forward, as substitutes. At the end of the season these men were the ones to receive miniature gold basketballs, sweaters and monograms. Manager Paul Risley also received a sweater and monogram.

Although official records are lacking, Carlson was without a doubt the leading scorer on the team, closely followed by Gray, center. By a vote of the six association coaches, Carlson and Goldberg of Albion were both placed on the All-M. I. A. A. first ream, and Babcock, Gray, and Bromley on the second team.

In no small way responsible for the great success which the first team enjoyed were the ten men who composed the reserve squad throughout the season. These men were Tyler, Houck, Fleming, Robinson, Adler, Thomas, Danylizyn, King, Burnett, and Howe. Besides being present for daily scrimmage with the regulars, the second string men found time to play four games, three of which they won.

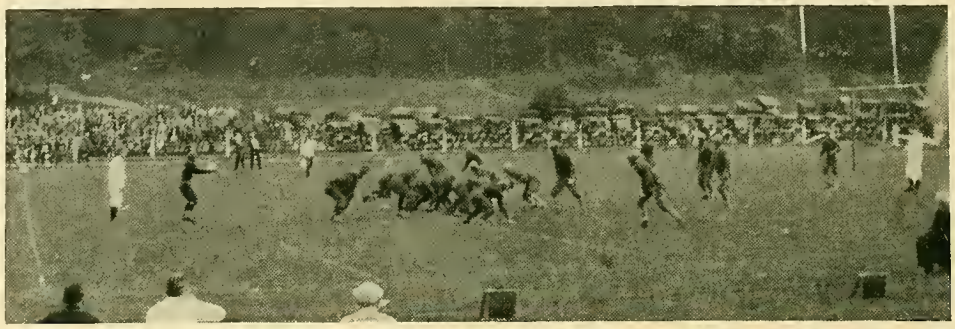
Pigskin Tabulations

Its most disastrous season in recent years, Albion waddled through a mediocre gridiron campaign in 1926, when it finished in a fourth place tie in the M. I. A. A. standings, lost three of its four conference games and won three of five non-association tilts. Three hard games at the start of the season badly battered the regulars and the team never completely found itself throughout the remainder of the schedule.

Io Triumphe!



Western State Attempts a Field Goal

Athletic Director R. W. Betchtel and Assistant Coach H. Fred Parker started work a week in advance of the opening of school in September with a squad of thirty-five men, thirteen of whom were veterans. Harry Williams replaced his brother, Victor, who was kept from the lineup by old injuries, as captain.

Two days before the opening of the semester, the men appeared at Delaware, Ohio, in the season's opener against Ohio Wesleyan, losing 11-0.

Ability to ward off Central State Normal resistance and keep the pigskin in enemy territory gave Albion its first victory of the home season, October 2, 20 to 14. Twelve first downs were recorded for the Methodists against four for Mt. Pleasant.

Probably the most costly game of the year occurred at Kalamazoo, October 9, when the Betchtelmen lost to Western State 28-0, in the third game of the season. Injuries in this contest told on Albion in all of its succeeding games and undoubtedly brought at least two or three of the later-season defeats.

Crossing the Hope goal line on three occasions, and allowing the Dutchmen to make but one threat during the entire game, Albion escaped easily in its tilt with the Holland team, October 16, winning 21-0.

Recovering from a two touchdown scare in the first quarter Kalamazoo College defeated Albion 14-13 at Almuni Field and gained their strongest bid for the championship. Albion, however, outgeneraled the Baptists, making 17 first downs to their seven, but overhead play proved their undoing.

Pitted against a more obstinate eleven than press reports had indicated, the Gridders found a fairly difficult task in jolting Olivet, 20-0 in the Homecoming attraction. Lowry, Williams and Goldberg made substantial gains throughout the play.

Getting the jump on her opponents, Alma College scored two touchdowns in the first half of its Homecoming encounter, November 6, and defeated Albion, 12-6, in a game which involved the M. I. A. A. pennant.

Albion completed its conference schedule in mud and freezing weather at Martin Field, Hillsdale, November 13, losing to the Baptists, 9-0. The outcome of this game relegated Albion to fourth position and placed the 'Dales in a second place tie with Kalamazoo.

Albion Springs an End-Around on Hope

Methodists Block C. S. N. Punt

Cutting strings on a new bag of tricks, Albion played the best brand of football it exhibited all season to defeat North-Central college of Naperville, Ill., 58-0 in the Thanksgiving Day attraction at Alumni Field. Goldberg ran 68 yards in the first quarter for the Methodists' first touchdown, and the scoring did not cease until the Illinois goal line had been trampled on eight more times.

At the end of the season twenty varsity monograms and a manager's letter were granted by the Athletic Board of control. For the first time in the history of the school, a dual captaincy was created, Syver Thingstad, tackle, and Ben Boldt, guard, being named to lead the 1927 squad. Those receiving letters were: Captain Harry Williams, Campbell, Lightbody, Scott, Thingstad, Boldt, Carlson, Gray, Sauer, Hoffman, Palermo, Peck, Bartlett, Baldwin, Schultz, Lowry, Goldberg, Robinson, Densmore, Penzotti, and Manager Sherwood Brown.

Three Albion players were selected for positions on the coaches' All-M. I. A. A. mythical selection, Thingstad, rackle, and Boldt and Scott at guard. H. Williams was given the fullback berth on the second team while honorable mention was accorded Sauer and Hoffman at end, Schultz at tackle, Bartlett at center, Goldberg and Lowry at the half back positions.

Captain "Jim" Lightbody

Behind the Bat

With a new coach, Fred Parker, at the helm and only a handful of veterans available, the exact possibilities of the 1927 Methodist baseball team are problematical. Captain Lightbody, pitcher; Gray, first baseman; Kuhlman, third, and Goldberg, second baseman, are the only members of the present squad who have before worn Albion diamond togs.

The squad did not open its regular playing season until April 12, when it appeared at East Lansing against Michigan State College.

Tennis

Winner in eight of twelve matches and the season's M. I. A. A. crown in both singles and doubles, Albion College had a successful tennis season in 1926. Surviving the conference elimination series, Holland, Albion, defeated Hahn, Albion, for the singles championship and the two then proceeded to romp over the Garbaugh brothers of Hillsdale for the conference doubles title.

At the end of the season eight letters were awarded, these going to the following: Bradshaw, Baldwin, Lawther, G. Schiltz, Hahn, Bradbury, Holland, and Maywood. In accordance with rules of the National Women's Athletic Association, no intercollegiate competition was held for the co-eds.

The squad this year is being coached by James Holland, M. I. A. A. titleist. Twelve men reported to play a schedule of matches which includes Detroit City College, W. S. N., Kalamazoo College, Battle Creek College, Hillsdale, and U. of Detroit.

Track

Bolstered through the appearance of aspirants from the two lower classes, prospects for a well balanced track team were more prominent this spring than they have been in recent years. Headed by Captain Ralph Keyes and six of the twelve men who won letters last season, the team confronts a schedule of two dual meets, one triangular affair, and entrance in the state and M. I. A. A. competition.

Last year the thinclads lost to Hillsdale, M. S. N., and C. S. N., placed fourth in the M. I. A. A. meet, and placed second in a triangular meet with Kalamazoo College and C. S. N. Outstanding in the season's work were Bartlett who broke state and M. I. A. A. records in the javelin, and Holmes who won the M. I. A. A. two-mile run. Letters were awarded Captain Crowe, ex-captain Holmes, captain-elect Keyes, Conrad, Courtright, Tyler, Bartlett, Teeter, McConnell, Kleist, Barlow, Cretcher.

The "A" Club, founded more than a decade ago, is one of the most popular clubs on the campus. It is made up of men who have won a letter representing the college in any branch of athletics or as the manager of an athletic team.

The purpose of the club is to organize the athletes of the college and bring about a greater interest in clean sports. An annual meeting is held each spring.

Women's Athletic Association

Banded under the caption "W. A. A.," co-eds of the school, directed by Miss Leta Hamilton, instructor in physical education, have developed a strong program of athletics. Competition has been confined to intramural and inter-class work as W. A. A. rules do not permit intercollegiate play.

Functioning for a second year as an organization here, W. A. A. has conducted physical examinations, health talks, gymnastic demonstrations, hiking programs, and competition in basketball, indoor baseball, and tennis.

Repeating their success of 1925, co-eds representing the class of 1929 again won the inter-class basketball title during the past season. At the close of the year, the title winners were given a banquet by members of the other three class teams, and were also presented a silver loving cup, donated by Miss Leta Hamilton. The mythical varsity team as selected, consisted of Mary Cansfield (I), Ortha Smith (II), and Josephine Richard (II), forwards; Bernice Walkley (II), Ruth Parsons (II), and Charlotte Goodrich (I), guards; substitutes, Helen Webster (II) and Julie DeJourno (I).

Men's Varsity Debate

Winning three out of four debates Albion closed her State Debating League schedule with an average .750. The question discussed was, "Resolved That this House endorses Mussolini's governmental principles."

In the first round on February 11, an Albion affirmative team composed of Harold Wilson, Sherman Lawton, and Kenneth Bartlett won over W. S. N. C. here, while the negative composed of Clarence Dammon, Charles Rogers, and Richard Chamberlin defeated M. S. N. C., there.

Two weeks later another negative trio, Merrill Walls, Dempster Yinger, and Leonard Hoag defeated Calvin College in the first meeting with this school at Grand Rapids. February 25 an affirmative group of Clement Yinger, Glenn Aldrich and Ralph Keyes lost to Hope College at Holland.

Another victory was recorded in the win over DePauw University here, March 9, in the first meeting of the two schools since 1920. Kenneth Bartlett, Sherman Lawton, and Wilson made up the Albion strength.

The second Big Ten team of the season was met in the dual contest with Purdue University of Indiana, March 18. An affirmative combination of Rogers, Chamberlain, and Bartlett lost at LaFayette, while the negative made up of Wilson, Lawton, and Kantner won on the local platform. Modification of the Volstead act was argued.

Women's Varsity Debate

Winning all their debates, Albion's women debating teams closed a successful season on March 24. Asking that the government enact a uniform marriage and divorce law, an Albion affirmative team, composed of Margaret Sleight, Dorothy Baxter, and Geraldine Elliott, defeated Wittenberg College of Ohio on March 17, and won over Denison University of Chillicothe, Ohio, the following evening on the same question.

Butler College was defeated by the Albion negative team in Albion on March 24, Albion being represented by Ruth Parsons, Ruth McIlvenna, and Adrea Lewis.

Several other debates in Michigan were in line for the Co-ed arguers following their return from spring recess, these included M. S. C. and W. S. N. C.

First Year Debate

Three debates were participated in by this year's freshmen teams. The affirmative Marvin Pahl, Nelson Hollen, and William Pitkin meeting Wittenberg College in Ohio on April 14, and the Ohio Wesleyan University freshmen the next evening, the 15th.

On the latter afternoon, the Albion negative team met Cincinnati University in Albion. This team was composed of David Anderson, Philip Hembdt, and Walter Hoshal. The question was the same as that used by the women, "Resolved that the government should enact a uniform marriage and divorce law." This was the first meeting of the University of Cincinnati on the debate platform.

James Cretcher

Theresa Combellach

Oratory

With the oration, "The Valley of Bones," James Cretcher, representing Albion College, won the state oratorical contest on March 4, held at Olivet, Michigan. By virtue of winning this contest, Cretcher represented Albion in an interstate meet, held at West Virginia Wesleyan University, on April 1. He also participated in a civic oratorical league meet held at Washington and Jefferson University on May 4.

Albion won fourth place in the state women's oratorical contest also held at Olivet, with Theresa Combellach speaking on "The Clarion Call."

Delta Sigma Rho

Delta Sigma Rho is a national honorary, forensic fraternity, whose membership is limited to those who have represented the college creditably in inter-collegiate debates or oratorical contests.

Faculty members are, President John L. Seaton, Dean Robert Williams, Dr. Phil H. Hembdt, Prof. H. L. Ewbank. Student members include, Kenneth Bartlett, Richard Chamberlain, Eugene Fowler, Claude Kantner, Harold Wilson, Geraldine Elliott, Adrea Lewis. An annual banquet is held each spring at which time new members are admitted.

FOWLER BARTLETT CHAMBERLAIN

Albion's Second International Debate

In her second international debate in two years, Albion met the University of Sydney, Australia on November 19, 1926. The Purple and Gold represented by Eugene Fowler, R. F. Chamberlain, and Kenneth Bartlett, took the negative of the question, "Resolved: that democracy is a failure." The debate was a no-decision affair, held in the Albion M. E. Church.

BARTLETT ELLIOTT KANTNER

University of Michigan Debate

The University of Michigan and Albion clashed in debate for the first time in history, when a Michigan affirmative team advocated repeal of the Eighteenth Amendment in the Albion College chapel on January 13, 1927. This was also a no-decision contest, Albion being represented by Claude Kantner, Miss Geraldine Elliot, and Kenneth Bartlett.

DRAMA

Dramatics

For six years the dramatic's activities of Albion College under the able direction of Miss Florence Swisher have successfully answered the need of all-college entertainment, as well as affording training for those taking part.

Activities this year have been numerous, and strictly high class productions were presented. "The Show-Off," played by the histrionic players in Williamston, early in November started the schedule.

"The Detour," by Owen Davis, was given on the home stage by the beginning class in Interpretative Reading one night, January 18, and was very pleasing.

January 20, James Barrie's "Dear Brutus" was played by the advanced players. Stage effects were exceptionally fine and the production received a great deal of favorable comment.

Other presentations included: "The Neighbors," presented at the Nurses' Convention in Sheldon Hospital during March; home productions, "As You Like It," "The Valiant," "The Little Stone House;" and "The Dust of the Road," given in the Methodist church in Jackson, April 17.

Entrance has been made into the University Theatre tournament at Northwestern University, Evanston, Ill., along with nine universities competing for the Belasco cup and a $250 prize.

The Albion College Glee Club

"An Organization that Sings"

New and lasting friends have been gained for Old Albion throughout the state as a result of the Twentieth Concert season tour of the Glee Club.

The Club, composed of twenty-five men, under the direction of Prof. Louis Rowland, conservatory head, and managed by Leslie Lee, has delighted audiences in many Michigan cities with their splendid work. Two extended trips were taken this year: the first at the opening of the second semester through northern Michigan and the second during the week of spring vacation in the western part. Many week-end jaunts to nearby cities and an annual Home Concert complete their program.

The program is varied by the introduction of many features including numbers by May and Neller, banjo artists; Donald White, pianist; Bernard Dalrymple, trombonist; and Clement Yinger, reader.

The Albion College Co-Ed Singers

Chosen by competitive tryouts, the twenty-four girls of the Albion College Girls' Glee Club, make up a musical organization of high quality.

Each year the Club visits the leading cities of the state in extended and week-end trips, giving artistic and delightfully varied programs. This year, under the direction of Miss Valborg Leland, professor of violin, and managed by Dorothy Neller, they enjoyed a highly successful season, appearing in northern and western Michigan. Concerts were aided materially by the new feature of having uniform costumes.

Becoming variety was afforded the concerts by the assistance of Isabel King, reader; Helen Letts, pianist; Miss Valborg Leland, violinist; and the vocal soloists, Edna Davies, Helen Davis, and Kathleen White.

The Albion College Orchestra, an organization of thirty members under the direction of Miss Valborg Leland, professor of violin, has gone far towards its goal of giving practical training to the musicians of the town and college. The character of its work was demonstrated in the assistance given the Philharmonic society in presenting Handel's "Messiah," and in chapel and concert appearances.

The Albion College Band

Essence of pep, nucleus of many celebrations, traveling companion of victorious teams, and an organization of Albion Boosters—that is our Band.

Twenty-eight men qualified with instruments, a delight in good music, and a copious endowment of wind under the direction of Mr. Clarence P. Bilhorn were moulded into one of the best musical organizations on the campus.

During the year they played at nearly all home athletic events, appeared twice in chapel programs, gave an entire concert at Camp Custer and ended the season with the annual Home Concert.

Albion College Pleiad

Established in 1883 under the editorship of C. H. Gordon as a monthly magazine, the *Albion College Pleiad* has been issued as a monthly publication, a weekly newspaper, a bi-weekly magazine, a weekly magazine, until it reached its present size as a five-column weekly newspaper.

With the presentation in printed form of a true picture of the student life of Albion College as its aim, the publication is issued under the direction of the instructor in journalism and in co-operation with the journalism class.

The staff is elected by the Publications council, a representative group chosen from the entire student body. Reporters come from the class in journalism.

The *Pleiad* is a charter member of the Michigan Press Association, a member of the C. P. I. A., and this year obtained an honor rating from the National Press Association. It stands for the highest principles in college journalism and provides a laboratory of practical experience for the members of the staff that intend to enter the newspaper field.

In its present form, the Biological Club has existed since the division of the "Science Association" in 1896.

The purpose of the organization is to give students particularly interested in natural science a chance to come in touch with the latest scientific knowledge.

Qualifications for membership are, an interest in Biology, no grade less than "B" during the preceding semester, a major or minor in the department, and recommendation by the department head.

Charles Barclay - - - - -	*President*
Helen Cox - - - - - - -	*Vice-President*
George Heels - - - - - -	*Secretary-Treasurer*

The late Dr. Delos Fall in January 1897, organized a club for the discussion of practical chemical problems. Increasing its scope in the fall of 1905 the club enlarged its field to include the science of physics, being called the Physico-Chemical club.

Upon the opening of school in the fall of 1908, it was again re-organized under the name of the McMillan Chemical club, later changed to the Fall Chemical club in honor of the founder. Students in advanced classes who have done "B" work in chemistry are eligible to membership.

Histrionic Club

Members of the advanced drama classes are eligible to membership in the Histrionic Club, founded by Miss Florence Swisher in the spring of 1923.

The purposes of the club are to acquaint the student with the best in dramatic literature, to develop critical taste in stage designing, lighting, costuming, and acting, and to afford practice in presenting plays to the public.

In 1924, under Miss Swisher's supervision, the Historionic Players appeared in New York in the contest for the Belasco cup and were given the highest rank awarded any college group.

Organized since 1917, the Panhellenic Council has functioned in many fields: endorsing the activities of the College, carrying out National Panhellenic Congress recommendations, and regulating sorority activities. This organization of two representatives from each of the sororities, with their presidents and advisors, as ex-officio members, meets at call and every spring has an intersorority banquet.

A "Big Sister" movement in connection with Freshman Week, welcome cards for freshmen girls, Halloween and Christmas parties, and Bible and world friendship study groups have featured the activities of the Y. W. C. A. this year.

During the first semester special devotional meetings for the women of the college were held every Thursday evening at the dormitory, while the Y. W. C. A. and the Y. M. C. A. combined their meetings during the last half of the year.

The executive work of the organization is carried on by the officers and a cabinet composed of committee chairmen.

Interdenomational in character the Young Men's Christian Association aims at the Christian development of men physically, mentally, and socially.

The presence of this Association has been distinctly felt this year through the bringing of speakers to the student chapel, the aid of committeemen throughout Freshman Week, a series of student Forums, and the reorganization of the Thursday night meetings.

A series of talks by Dean Williams opened the Thursday night events with only the men meeting in the Chapel. Other speakers followed and the program has been pleasantly varied. Outside platform men of repute include, Eddy, Thomas, Niebuhr, Kingdon, and Elliott.

Last summer four representatives were sent to Lake Geneva, and during the Christmas holidays six delegates attended the meetings at Milwaukee. Gospel teams have also been sent to many different cities.

The Cabinet is composed of the officers plus representatives, Carl Martenson, Alvin Neller, and Clarence Dammon.

As a result of a national convention held in Milwaukee this year, Albion now has one of the 21 chapters of the Oxford Fellowship, made up of men and women planning to enter the field of religion as their life work.

The Albion delegate, Clarence Dammon, to this year's convention was elected National Vice-President of the Fellowship.

Bi-weekly meetings are held, at which prominent speakers and workers in religious activities address the members of the organization.

Student Volunteers

Composed of men and women preparing to do missionary work in foreign fields, the Student Volunteer organization has grown from a humble start in 1885 at Princeton University to a far-reaching association with groups on practically every campus in America.

Home Service Band

The Home Service Band is organized in the interest of all kinds of social service work in the home field. For the past two years it has supported a scholarship of $50 in a Georgia school.

All that comprised Kresge's 30 years ago was one solitary little store in Detroit.

Today, 375 stores bear the Kresge name—a chain of stores all over the country doing an annual business of $119,000,000—and still growing fast.

The enormous expansion of this organization can be attributed to its sound organization and business principles, combined with its policy of selling the best merchandise at the lowest price and giving quick, courteous service.

The name *Kresge* has become a watchword of economy in the homes of millions and millions of American families.

Today and tomorrow, as in the past, this nation-wide institution will continue to give even greater values and to serve even a greater number of people by linking more cities into its ever increasing chain.

Opportunity Awaits You Here!

In this great organization we have positions open for college men who are willing to start at the bottom. After a thorough training they become store managers, earning from $3,000 to $15,000 a year. If you are interested, write to Personnel Department M-27.

Learning While Serving

From boyhood it was said of Abraham Lincoln that he was a "learner." In his ambition to post himself he sat at the feet of whoever could teach him. In time he overtopped them all.

The "learner" rises above his competitors in all life's activities. He masters conditions because he learns all about them.

We sit at the feet of the public wherever we have Stores learning and posting ourselves of the needs of home and person as best we can.

Diligently applying ourselves to the responsible task of providing those needed when needed is the virtue to which may be traced much of the extraordinary development of this Company.
